## Parent-Child Program 2016-2017

Our Parent-Child classes provide opportunities for families with young children to come together in an age-appropriate, media-free environment to connect and inspire one another. Parents craft a hand-made toy and discuss literature on healthy, natural parenting. Classes include a light snack and opportunities for informal conversation with other parents.

### **Parent-Infant: Expecting to 18 months, Mondays: 9:00a.m. – 10:30 a.m.**

This class provides a nurturing atmosphere in which to explore the beautiful and natural unfolding stages of very early childhood. Parents learn simple songs and games to play with their children, and develop their ability to quietly observe and interpret children's movements, gestures, and vocalizations. The class aims to build on parents' intuitive knowledge, helping them better understand how to be with their children, but also how to let their children be.

**Fall Session (12 week) \$210**  
Starting September 12, 2016

**Spring Session (14 week) \$245**  
Starting January 23, 2017

### **Parent-Toddler: 18 months to 3 ½ years, Tuesdays, Wednesdays, Thursdays, Fridays: 9:00a.m. – 11:00a.m.**

Together parents and children will enjoy bread baking, singing, dancing, storytelling, and puppetry. Quiet indoor play and outdoor time give opportunities for parallel play and social interaction.

**Fall Session (12 week) \$270**  
Starting the first week of September 2016

**Spring Session (14 week) \$315**  
Starting the week of January 23, 2017
